

Social Security Benefits for People with Disabilities

Everything you wanted to know.

Securing today
and tomorrow

A **FREE** workshop from Social Security.

- Information about disability benefits and the disability application process.
- How to use your my Social Security online account and other online services.
- What are Supplemental Security Income (SSI) Benefits and how do you qualify?
- What do you need to report when you receive SSI?
- What other Social Security programs are available, and who qualifies?

Learn how to use **my Social Security** online account and other online services. You should go to www.socialsecurity.gov/myaccount to create a **my Social Security** account and print out your *Social Security Statement* **before** attending the workshop.
