

Advancing Parent Professional Leadership in Education (A.P.P.L.E.)

SEPAC/DISTRICT APPLICATION

MAY 3-4, 2018 in Framingham, MA

We understand that – if accepted – the school district, in collaboration with the special education parent advisory council (SEPAC), is required to recruit a team of parents (suggested minimum of three), and one special education administrator to participate for the full 2 days. We will work to include parent leaders from diverse backgrounds in the team.

The district is responsible for providing team members with overnight accommodations, as needed by the team. Our district commits to help the team implement the action plan to be developed at the Institute.

Type of District: ___ Public School District ___ Charter Public School
